Respected Madam,

Our Institute, **Vidyavardhini's College of Engineering and Technology (VCET)**, Vasai, Dist: Palghar, Pin: 401 202, Maharashtra, INDIA is a two decade old Engineering Institute relentlessly striving to give the society the best of engineers. Since its inception in 1994, VCET has been a catalyst in spreading technical education and meeting the current and future needs of the industry. We are affiliated to the University of Mumbai and also approved by the All India Council of Technical Education (AICTE), New Delhi. Majority of our departments were accredited by the NBA, New Delhi and recently all departments has been accredited by NAAC for 5 years.

For inculcating innovation and research among students, the awareness about innovation patenting is important. Knowing this, institute has established an IPR-VCET Cell in the institute in year 2018. The activities of this cell are identifying the innovations being carried out in the institute based on background study, process for patenting, organizing events for understanding of the different aspects of Intellectual Property Rights among students and faculty members.

In this regard, we wish to invite you for a session on **IPR Awareness for students** as a guest speaker for providing more insights of IPR among our students and share your experiences in this field. The students and faculty of our own institute will attend this webinar.

So, I request you to grace the occasion with your presence and deliver a session on 7th Jan 2022.

Awaiting your valuable response.

Thanking you,
