विद्यावर्धिनीचे अभियांत्रिकी आणि तंत्रज्ञान महाविद्यालय, वसई

ECell VCET

Webinar on Electric Vehicle – The Journey of Transformation

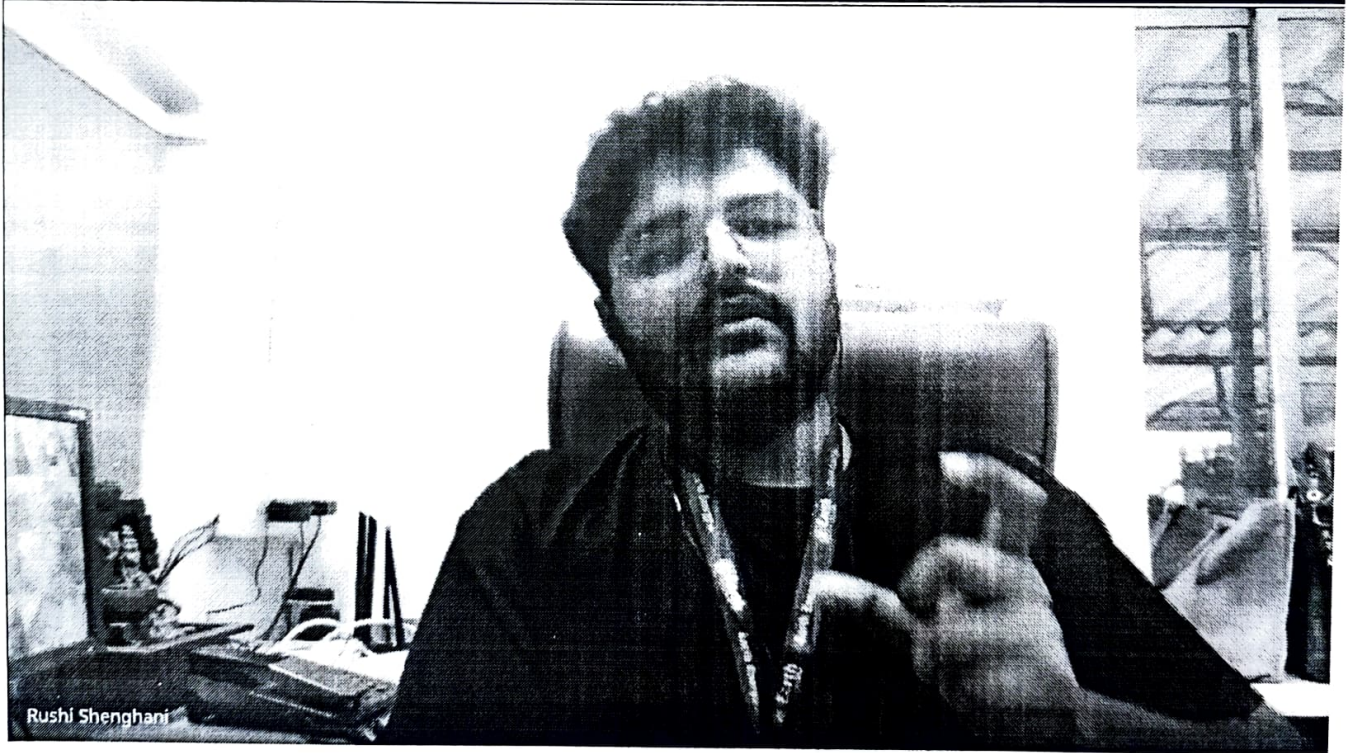

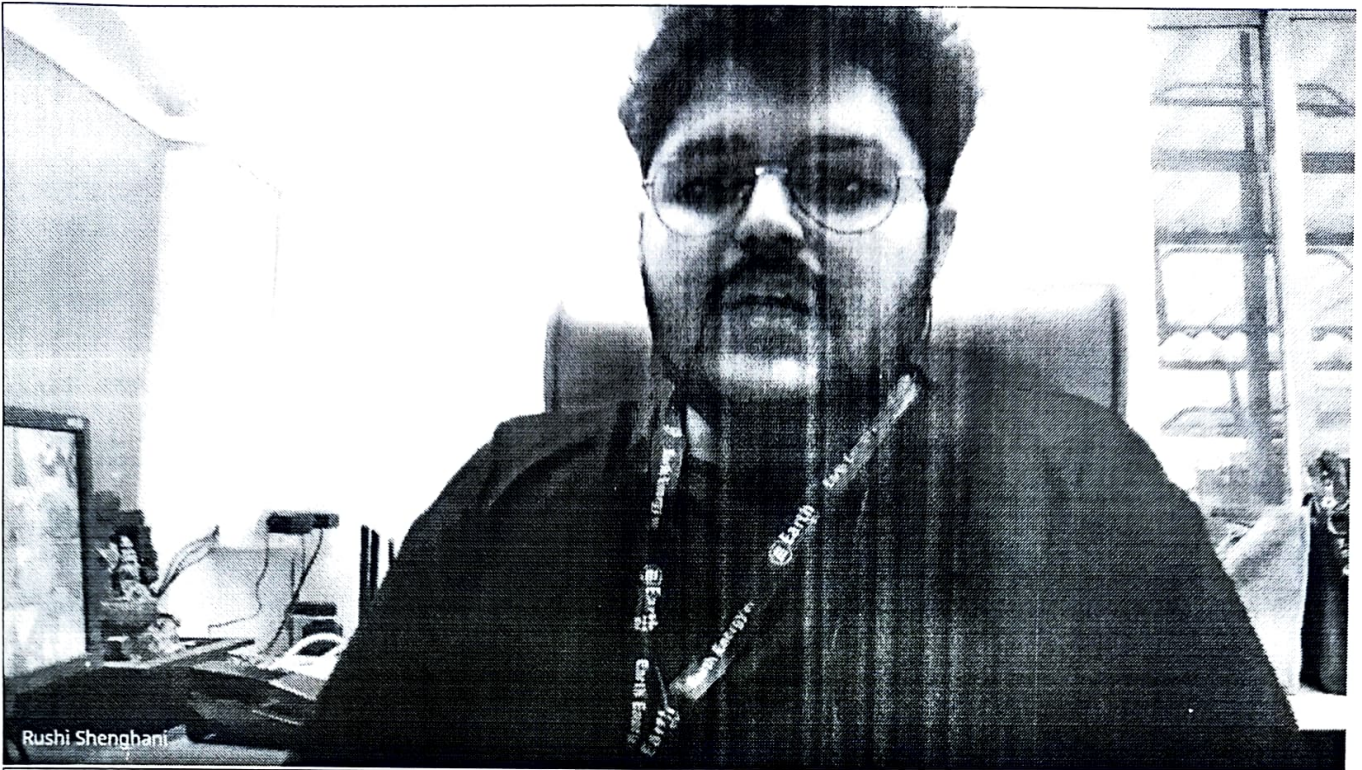

Speaker:

Mr. Rushi Shenghani

This Webinar was to discuss about the Electric Vehicles and its Startup.

Seminar Title	Electric Vehicle – The Journey of Transformation
Description:	<p>Mr. Rushi Shenghani gave a detailed introduction about his startup background. He explained various fundamentals that are important to consider while starting a startup. He gave a glimpse about the financial sector and its working. He also shared a piece of exceptional information about solar as well as electric vehicles and their construction. The webinar was an interactive one with lots of Q&amp;A sessions from the audience. Mr. Rushi Shenghani delivered the answers in a transparent format. He emphasized the scope for the upcoming future in Electric Vehicles. Last, but not least he concluded the webinar by sharing some information about his upcoming projects.</p>
Objective of this Seminar	<ol style="list-style-type: none"><li>1. The Webinar stimulated the students to start their startup.</li><li>2. It helped them as a guide to out sketch their future by avoiding some of the great mistakes.</li><li>3. Students also got familiarized with the concept of electric vehicles and their construction.</li></ol>
Speaker Profile	Founder of Earth Energy EV, Mumbai
Working date	19 <sup>th</sup> March 2021
Duration	1hr 30mins
Seminar time	3.00-4.30 pm
Venue	Google Meet
