MEMORANDUM OF UNDERSTANDING (MOU)

ENTERED BETWEEN

VIDYAVARDHINI'S COLLEGE OF ENGINEERING & TECHNOLOGY

& DIGITAL DOJO OPC PRIVATE LIMITED

Date – 27th August 2018

INTRODUCTION:

1) Vidyavardhini's College of Engineering & Technology (VCET)

Vidyavardhini's College of Engineering & Technology was established in July 1994. The institute is affiliated to University of Mumbai for full time four year degree programs in Bachelor of Engineering in six disciplines, viz. Mechanical, Electronics & Telecommunication, Instrumentation, Computers, Information Technology and Civil Engineering.

VCET, Vasai is located at the sprawling campus of Vidyavardhini's spread over an area of 12.27 acres of land out of which college of engineering has 5.00 acres of area. It is in the close proximity to the Vasai Road (West) railway station and hardly takes 45 min journey from Dadar by Western Railway.

Vidyavardhini's College of Engineering & Technology, (VCET) Vasai is committed to enhance the knowledge of its various engineering departments and is engaged in imparting training and developing technical manpower in various front-line areas of importance and is also rapidly contributing to the scientific and technical knowledge professional developments and excellence in Engineering & technology by undertaking industrial applied research and consultancy.

2) Digital Dojo OPC Private Limited:

Digital Dojo started in early 2016 as a digital training firm. The objective was to empower students & working professionals with various digital skills like IoT (Internet of Things), digital marketing and digital transformation technologies. Digital Dojo has worked with corporate and academic institutes, imparting digital education and skilling people with new age digital skills.

The journey as a digital training firm has been quite enjoyable – with its share of challenges and victories. Digital Dojo named among "India's 10 Most Promising Digital Training Institutes of 2017" in a survey conducted by Higher Education Review in August 2017.

Registered Address – A/302, Snehal Tower, Borivali East, Mumbai – 400066, Maharashtra, India.

Digital Dojo is today, an education first, digital agency based in Mumbai, India. Digital Dojo is today associated with some of the most respected names in the field of digital education like NIESBUD, IEEE, CSI and D-Link Academy. Digital Dojo also conducts IoT and Digital Marketing courses in engineering and management institutes. As of 31st July 2018, Digital Dojo has conducted 200+ workshops and 600+ days of training, with more than 12000 professionals and students trained. Digital Dojo is the digital training partners to some big industry brands, establishing itself as a digital training agency of choice for many.

Scope of MOU

- ❖ This MOU is executed between VCET and Digital Dojo to foster relations and promoting and reinforcing cooperation between the academic institution and the industry.
- ❖ The Memorandum signed will be the guiding document for both the parties for planning and execution of the actions and initiatives. Both the organizations will encourage its members to define the overall strategy and roadmap to carry out the action plans.

The Memorandum states that the two organizations will honor and do the following with mutual cooperation:

- 1) Sharing knowledge and capability in the concern area for mutual benefits and become trusted partners in the area of knowledge enrichment.
- 2) Facilitate work from VCET students/faculties and vice versa on projects identified for collaborative activities.
- 3) To collaborate, share information and technology to develop the required skills and intend to create a centre of excellence to support this shared efforts.
- 4) To support and sharing the activities related to:
 - i. Capability development of the students.
 - ii. Sponsored projects
 - iii. Laboratory/ies development
 - iv. Infrastructure development
 - v. Cooperate and support for Internship and Recruitment
 - vi. Publications, Products and Patents
 - vii. Workshops, Conclaves, Seminars, Events.
- 5) Any other activity/ies with mutual consent
