**MEMORANDUM OF UNDERSTANDING (MOU)
ENTERED BETWEEN
VIDYAVARDHINI'S COLLEGE OF ENGINEERING & TECHNOLOGY
AND
TECHUSTAADS PRO LEARNING**

INTRODUCTION:

1) Vidyavardhini's College of Engineering & Technology (VCET)

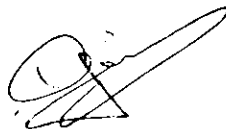

Vidyavardhini's College of Engineering & Technology was established in July 1994. The institute is affiliated to University of Mumbai for full time four year degree programs in Bachelor of Engineering in six disciplines, viz. Mechanical, Electronics & Telecommunication, Instrumentation, Computers, Information Technology and Civil Engineering.

VCET, Vasai is located at the sprawling campus of Vidyavardhini's spread over an area of 12.27 acres of land out of which college of engineering has 5.00 acres of area. It is in the close proximity to the Vasai Road (West) railway station and hardly takes 45 min journey from Dadar by Western Railway.

Vidyavardhini's College of Engineering & Technology, (VCET) Vasai is committed to enhance the knowledge of its various engineering departments and is engaged in imparting training and developing technical manpower in various front-line areas of importance and is also rapidly contributing to the scientific and technical knowledge professional developments and excellence in Engineering & technology by undertaking industrial applied research and consultancy.

2) Techustaads Pro Learning

The idea of Techustaads Pro Learning took seeds after interviewing many Job Aspirants. Only a handful of these candidates could be termed as suitable for a job. There is a very acute shortage of talent with the right skill set and desirable attitude.

Graduates are usually low on confidence with poor communication skills and perform very poorly in interviews.

Techustaads Pro Learning has been conceptualized to narrow down, if not eliminate, mismatch between the formal education system and the industry. With our Agile-Project Based Learning Approach, we ensure that students not only grasp technology but they also experience software development processes. All our trainers are from the industry, and have varied experience working in Startups, the competitive Corporates and Tech Enterprises. We aim to impart the Right Skills and Right Attitude for an excellent career progression through our fast-paced course curriculum.

We also offer Internship Programme for eligible students followed by Job opportunities based on performance, where students get to work on Live Projects in the Agile Environments. Students are exposed to various tools and processes that are being used in the Industry to deliver technological advanced projects - ON Time within Budget.

Scope of MOU

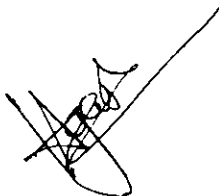

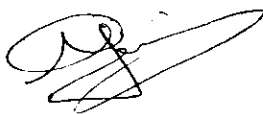

- ❖ This MOU is executed between VCET and Techustaads Pro Learning to foster relations and promoting and reinforcing cooperation between the academic institution and the industry.
- ❖ The Memorandum signed will be the guiding document for both the parties for planning and execution of the actions and initiatives. Both the organizations will encourage its members to define the overall strategy and roadmap to carry out the action plans.

The Memorandum states that the two organizations will honor and do the following with mutual cooperation:

- 1) Sharing knowledge and capability in the concern area for mutual benefits and become trusted partners in the area of knowledge enrichment.
- 2) Facilitate work from VCET students/faculties and vice versa on projects identified for collaborative activities.
- 3) To collaborate, share information and technology to develop the required skills and intend to create a centre of excellence to support this shared efforts.
- 4) To support and sharing the activities related to:
 - i. Capability development of the students.
