**Department of Electronics & Telecommunication Engineering of  
Vidyavardhini's College of Engineering & Technology, Vasai Road,  
Dist.- Palghar (Mumbai University)**

Vidyavardhini's College of Engineering & Technology (VCET) was established in July 1994. The institute is affiliated to University of Mumbai for full-time four-year degree programs in Bachelor of Engineering in six disciplines, viz. Mechanical, Electronics & Telecommunication, Instrumentation, Computers, Information Technology and Civil Engineering. Vidyavardhini's College of Engineering & Technology, (VCET) Vasai is committed to enhance the knowledge of its various engineering departments and is engaged in imparting training and developing technical manpower in various front-line areas of importance and is also rapidly contributing to the scientific and technical knowledge professional developments and excellence in Engineering & technology by undertaking industrial applied research and consultancy.

**The Department of Electronics and Telecommunication Engineering (EXTC)** was established in the year 1994 with an intake 60 students and is known to provide best academic facilities across University of Mumbai. EXTC department is located on the 3rd floor of the institute building. The department has 10 well equipped laboratories to cater the needs of practical exposure to the student. The Course is accredited by National Board of Accreditation (NBA), New Delhi w.e.f. from 2012 for three years. To make teaching learning more effective and interactive EXTC department regularly organizes workshops, training, expert lecture, Industrial visits and encourage students for collaborative and experiential learning.

Securizen is a leading system integrator and turnkey security solutions provider in India, delivering robust systems tailor-made according to the client's security requirements. We provide safety solutions across various sectors including Malls, Banks, public spaces, offices, Industries Residential buildings, houses, etc. Equipped with state-of-the-art infrastructure and exhaustive technical knowledge, our experts design highly customized and integrated solutions for your security requirements. We keep ourselves abreast with the latest developments in products and technology, to bring to you world-class solutions at competitive prices.

## Scope of MOU

- ❖ This MOU is executed between **Department of Electronics & Telecommunication Engineering of Vidyavardhini's College of Engineering & Technology VCET and Securizen Systems Private Limited** to foster relations and promoting and reinforcing cooperation between the academic institution and the industry.
- ❖ The Memorandum signed will be the guiding document for both the parties for planning and execution of the initiatives and actions. Both the organizations will encourage its members to define the overall strategy and roadmap to carry out the action plans.

The Memorandum states that the two organizations will honor and do the following with mutual co-operation:

- 1) Sharing knowledge and capabilities in the concern areas for mutual benefits and become trusted partners in the area of knowledge enrichment.
- 2) Facilitate work from EXTC (VCET) students/faculties and vice versa on projects identified for collaborative activities.
- 3) To collaborate, share information and technology to develop the required skills and intend to create a center of excellence to support this shared effort.
- 4) To support and sharing the activities related to:
  - i. Capability development of the students.
  - ii. Sponsored projects
  - iii. Laboratory/ies development
  - iv. Infrastructure development
  - v. Cooperate and support for Internship and Recruitment
  - vi. Publications, Products and Patents
  - vii. Workshops, Conclaves, Seminars, Events.

5) Any other activity/ies with mutual consent.

**Effective Date and Duration of MOU:**

- ❖ This MOU shall be effective from the date of signing by **Department of Electronics & Telecommunication Engineering of Vidyavardhini's College of Engineering & Technology and the Securizen Systems Private Limited.**
- ❖ The MOU will be continued for a period of **THREE** years from the date of signing of this MoU with mutual consent.
- ❖ Both the parties have signed this MOU for mutual co-operation and would be of great value for professional growth.
