Colorado and interested U.S. residents should save the date for our on-campus MS Visit Day on **Friday, March 24, 2023, from 10 a.m. - 2:30 p.m. MDT!** For those who cannot attend the on-campus visit day, please save the date for our virtual MS Visit Day on **Monday, April 3, 2023, from 8 a.m. - 10 a.m. MDT!** Additional information will be sent out in the coming weeks via email.

### ACADEMICS

Megan Varra, Graduate Program Specialist for the Mechanical Engineering graduate department, is your academic advisor and can assist you with administrative and academic questions regarding the program, such as admission, enrollment, and/or schedules. If you have any questions about the program, please contact Megan at megan.varra@colorado.edu. You will be working with her throughout your time at CU Boulder.

MS Professional students who are interested in transitioning to the MS Thesis program can begin reaching out to Mechanical Engineering faculty to learn about potential research opportunities. Interested students will work with the graduate admissions and advising team in the summer and fall 2023 semesters to formally switch into the MS Thesis program. Some students choose to wait to transition to the MS Thesis program after completing one semester of course study.

The academic program is typically organized across two years, although students can take up to four years to complete their degree if they wish to complete their degree on a part-time basis.

Additional information about the curriculum, requirements, and structure of the program can be found on the Academics Webpage and in more detail in the Graduate Program Handbook. We highly encourage you to review the information on the website and in the Handbook before reaching out with any questions.

We are committed to creating a welcoming and inclusive community for our students, and we hope that you will join us in contributing to that community.

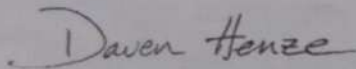

### ACCEPTANCE OF OFFER OF ADMISSION

We are confident that you have the ability to be successful and that you will gain much from the unique opportunities we can offer you. **Please indicate your intention to accept or decline this offer in your application portal no later than April 28, 2023.** An earlier response, especially a positive one, would be much appreciated. Please note that your intent to enroll is only confirmed after you have paid the enrollment deposit.

Students who have accepted their offer of admission will receive information over the summer about fall orientation. In the meantime, we encourage you to view the [Graduate School Admitted Students page](#), which provides you with detailed instructions on what to do after accepting your offer of admission.

We very much hope you will join the University of Colorado Boulder MS Professional community and look forward to welcoming you to our department next fall!

Dear Nikita Rajesh

Congratulations on being made an offer to study at Brunel University London in January 2024

With the start of your course now fast-approaching, we are writing to you with some important reminders on what you might still need to do to make your offer unconditional and receive your CAS as soon as possible, so you can join your course on time.

#### 1. Pay your deposit or send us your sponsorship letter if you've not already done so.

You can pay your deposit using the 'Pay Your Tuition Fee Deposit' button in your eVision 'my Applications' portal <https://evision.brunel.ac.uk> or via this website - <https://www.brunel.ac.uk/international/fees-and-funding/making-a-payment>. The amount you need to pay is detailed in your Offer email which you can view again via the 'View Communications' button in your 'my Applications' portal.

To send us your sponsorship letter or financial guarantee, please upload this to your 'my Applications' portal using the 'View/Upload Documentation' button.

If you have been given a separate deposit deadline, please aim to ensure your payment is received by Brunel by this deadline.

#### 2. Upload any outstanding documentation

Please check your Offer email and any recent emails from us, to make sure you have provided all documentation we have requested. Please upload any outstanding documentation to your eVision 'my Applications' portal as soon as possible. This may include a copy of any final outstanding results or a copy of your passport if these haven't been provided already.

#### 3. Confirmation of Acceptance for studies (CAS)

Once we have received your deposit and you've met your other offer conditions, we will issue your unconditional offer and CAS number. The CAS number is vital for your student visa application.

IMPORTANT: The latest we can issue a CAS for a January starter is typically mid-December, however there may be occasions where we have to stop earlier depending on the region and the time it is taking the UK Visa and Immigration (UKVI) service to issue Student visas. We may not be able to issue you with a CAS beyond this deadline, so please ensure you've paid your deposit and fulfilled any outstanding conditions as soon as you can before December to avoid disappointment.

#### 4. Visas and immigration

Familiarise yourself with the process of applying for your Student visa. You can find useful information about this on our website: <https://www.brunel.ac.uk/international/visas-and-immigration>. If you have any particular questions that are not answered here, please email [international-admissions@brunel.ac.uk](mailto:international-admissions@brunel.ac.uk) and we'll be happy to help you.

You must ensure that you have obtained your visa and entered the UK in time to register for your course on the date given in your Offer email and before the registration deadline we will give you nearer the time. We strongly recommend that you apply for your visa as early as possible, taking into account UK visa processing times published at: <https://www.gov.uk/government/collections/visa-decision-waiting-times>. You may wish to consider using priority visa services if you do not think there is enough time to make a standard visa application.

#### **5. Make your 40% tuition fee payment**

To register for your course you will need to make a 40% tuition fee payment. This will include any deposit you have already paid. It's really important you make this payment on time because you will not be able to join your course and attend classes until you do so. You can find more information on how to pay and how much on our webpage: <https://www.brunel.ac.uk/international/fees-and-funding/making-a-payment>.

Alternatively, if you are being sponsored for your full tuition fees, please make sure you have uploaded your sponsorship letter or financial guarantee to your 'my Applications' portal.

#### **6. Complete your online registration task in eVision when you receive an email to say it's ready**

We'll email you with details of how to complete your online registration task in eVision during the month before your course starts, once you have accepted your offer and have met all of your conditions. After receiving that email you should complete your registration task as soon as you can. Please note, you must complete your registration and be on campus ready to start your course within two weeks of the teaching start date outlined in your Offer email.

#### **7. Admissions Office closure**

The Admissions Office will be closed for the UK Christmas holiday between Christmas and New Year. The exact dates of our office closure will be confirmed in your 'my Applications' portal as this approaches. To avoid disappointment, we recommend you follow the above steps early, in advance of this office closure. If you have any queries, please either call us or use our chat service (located on most course pages and in your 'my Applications' portal).

#### **No longer want to come?**

If you have decided that you will not be coming to study at Brunel University London, please decline your place via the eVision 'my Application' portal to let us know - <https://evision.brunel.ac.uk>. If you've already accepted your offer but have changed your mind and now you want to decline your offer, please reply to this email to let us know and we will do this for you.

We hope this information is helpful. If you need any help at all, please do not hesitate to contact us during our office opening hours which you can find on this webpage: <https://www.brunel.ac.uk/study/admissions>.

Yours sincerely

**DETAILS OF CONFIRMATION OF ACCEPTANCE FOR STUDIES (CAS)**

CAS Number: E4G8JP7J48O0B5

Thank you for approving your personal and programme details on Applicant Self Service. We have uploaded your information to the UK Visa and Immigration (UKVI) system to produce your CAS. When you apply for your Student Visa you will require this information to help you complete your application.

**Additional Fee Payments**

Please note that the CAS details below provide an overview of the payments that you have made towards your tuition or accommodation fees up to the date you approved your CAS details. We strongly recommend that you do not make any further payments until you have received your Student Visa. If you must make a payment to meet the visa financial requirements, then we will NOT update your CAS but instead you can include copies of receipts with your visa application. We are unable to make amendments to your CAS to show the additional funds that you have paid, and do not want you to risk a visa refusal.

**Start Date, Enrolment, Latest Arrival in the UK and CAS Expiry**

We expect you to enrol online and travel to Glasgow to commence your studies by 12-Sep-2022.

If you cannot travel for any reason, we require that you:

Please let us know if you will accept our offer of admission by completing the [Offer of Admission Reply form](#) found on your student portal page.

As you prepare for your studies at Virginia Tech, I encourage you to review our comprehensive online [New Student Guide](#).

I know that financial assistance is of concern to most graduate students. It is important that you contact your department directly regarding assistantships and other funding questions. You may also visit the [Office of Scholarships and Financial Aid](#) to identify types of financial aid for which you may be eligible to receive.

- The Free Application for Federal Student Aid (FAFSA) is the application for federal student loans and is available January 1st at [www.fafsa.gov](http://www.fafsa.gov) for US citizens and permanent residents.
- You may file the FAFSA with estimated tax figures if you have not submitted your federal tax return.
- The Office of Scholarships and Financial Aid recommends you submit the FAFSA by early May to give them time to process your financial aid.

To access VT information and services, you will need a Personal Identifier (PID). Your PID and password grant access to e-mail, online course materials (Canvas), Hokie SPA (course registration), My VT (portal system), the university library databases, and more. The Graduate School and many departments communicate with you via your Virginia Tech email account that is accessed with your PID. Please promptly create your PID. Your

student identification number, needed to create a PID, is: 906528177. Please allow 24 hours for our systems to update before creating your PID.

Residence status for tuition purposes is initially determined at the time of your admission application submission. Your residence status has been determined to be Out of State. If you believe your residence status is inaccurate, please contact the Graduate School immediately. It is your responsibility to ensure your tuition billing is accurate each semester.

We want to share some additional information with you regarding immunization and health insurance.

1. All Blacksburg campus full time students must meet state immunization requirements. Visit the [Schiffe Health Center website](#) for details and a downloadable immunization history form that must be completed one month prior to arrival at Virginia Tech.
2. Virginia Tech offers a health insurance plan that can be purchased by students who are enrolled full-time. Please visit the [Health Insurance website](#) for information detailing plans available through a discounted rate negotiated by Virginia Tech.

## Student Fees Refund Policy and Procedures 24 September 2020

### OVERVIEW

In certain circumstances, if a student has a credit balance on their University account, they may request a refund of that credit balance. This policy provides formal guidance on the circumstances under which fee refunds are to be provided to students, and the manner in which they may be paid.

### SCOPE AND APPLICATION

This policy applies to:

- All enrolled students of the University of Adelaide, on all campuses both domestic and international;
- Students previously enrolled, not currently enrolled and students on program leave, where the relevant fee liability was incurred while they were enrolled or is directly related to their enrolment;
- Higher Degree Research Students including those awaiting examination of submitted theses;
- Students on exchange from other universities where they have paid fees to be refunded to the University of Adelaide; and
- International students who have accepted an offer of admission.

### POLICY PRINCIPLES

#### 1. Refunds

- A refund can only occur if a student has a current credit on their student finance account.
- Refunds will be processed after all other financial obligations to the University have been discharged, including (but not limited to) library fines, student loans, and accommodation charges.
- Refund payments are normally made directly into a bank account, unless paid by credit / debit card. Bank details are required for all refund requests, even if the refund is to the original credit / debit card, to ensure payment can be finalised.
- All refunds are made in Australian dollars and are payable to the student's nominated account, with the following exceptions:
  - The student is supported by a recognised third party sponsor and that sponsor is entitled to the refund (as per the Education Services for Overseas Students (ESOS) Act, s.47D(3)(b)).
  - In the event a country is subject to financial sanctions, refunds cannot be paid to a bank in a sanctioned country.
  - If the original payment was made by credit / debit card via BPOINT, the refund will be processed back to the original credit / debit card. The merchant surcharge fee will also be refunded unless a partial refund is being made, in which case the surcharge fee will not be refunded.
- The deadline for submitting an online Refund Request Form ([www.adelaide.edu.au/student/finance/refunds/](http://www.adelaide.edu.au/student/finance/refunds/)) to facilitate payment of a refund in any week is 5pm of the preceding Friday.

#### 2. Special Circumstances Refunds, Remissions or Re-Credits:

- Students who withdraw from a course(s) after the Census Date due to special circumstances may apply for a Special Circumstances Refund, Remission or Re-Credit (<https://www.adelaide.edu.au/student/finance/special/>).
- International students who withdraw from their study after accepting their offer but prior to the Census Date in their First Teaching Period due to special circumstances may apply for a Repayment of Administration Fee ([www.adelaide.edu.au/enrol/forms-downloads/students-only/special-circumstances-application-form](http://www.adelaide.edu.au/enrol/forms-downloads/students-only/special-circumstances-application-form)).

#### 3. Domestic Students: refer to <https://www.adelaide.edu.au/policies/4343/>

#### 4. International Students:

- When a refund is payable, and the applicable refund form has been completed, the refund will be processed under normal circumstances within 3 weeks of the refund form being received by the University.
- Additional delays may occur for receipt of payments to overseas bank accounts.
- Refunds of Overseas Student Health Cover (OSHC) will only be processed where the University has arranged OSHC on behalf of a student, and the student has not arrived in Australia. If a student has arrived in Australia, they will need to contact their OSHC provider directly to arrange any refund of their OSHC policy.

### **Fees:**

**TUITION FEES:** The majority of the University's programs are offered in semesters, however some programs are taught across different teaching periods such as trimesters. Students will be invoiced at the beginning of their teaching periods. The actual tuition fees charged will be based on a student's unit enrolment and the published annual fees for the year of enrolment. Should a student 'overload' or 'underload', their fees will be increased or decreased accordingly. For example, students enrolled in 12 units will be charged half of the published annual tuition fee for the year of study. Degree Finder contains comprehensive information about this program at [www.adelaide.edu.au/degree-finder](http://www.adelaide.edu.au/degree-finder).

**STUDENT SERVICES AND AMENITIES FEE (SSAF):** All students are required to pay an annual fee for the provision of essential, non-academic services (see [www.adelaide.edu.au/student/finance/ssaf](http://www.adelaide.edu.au/student/finance/ssaf)). The 2022 fee is \$315 based on full-time enrolment and is subject to increase annually. Students will be invoiced for this amount separately, after commencement in their program.

### **Declaration of Financial Capacity:**

Student visa applicants must have sufficient funds available for the duration of their stay in Australia. The University of Adelaide can only issue your Confirmation of Enrolment (CoE) if you declare that you have access to sufficient funds. - I declare that I have genuine access to the funds as outlined above for myself, my partner (if applicable) and dependent children (if applicable) for the duration of my stay in Australia. I understand that should I experience financial difficulties that I (or my sponsor) will continue to be responsible for my tuition fees and living expenses;
- I understand that the University may give advance notice of its intention to cancel my enrolment if my tuition fees are not paid by the census date. If my enrolment is cancelled due to non-payment of fees I understand that the University will be required to cancel my CoE and that I will have to seek advice from DHA regarding my ongoing eligibility for a student visa;
- I understand that the University may ask me to provide additional evidence of my financial capacity, should it be required, before issuing my CoE;
- I understand that I am responsible for ensuring that the Financial Guarantee (FG) provided by my sponsor remains current. If my FG expires, becomes invalid or my sponsor fails to pay, I understand that I will become responsible for payment of my tuition fees, OSHC and SSAF (sponsored students only).

- 1.5 When a refund is payable, and the applicable refund form has been completed, the refund will be processed under normal circumstances within 3 weeks of the refund form being received by the University except where:
  - 1.5.1 the University was unable to provide the program offered at any time on or after the agreed start date, the refund will be processed within 14 days.

### Management Aptitude Test and Test Scores

- 1 The Management Aptitude Test (MAT) is designed to measure the aptitude of a candidate for pursuing management education and should be used only for this purpose.
- 2 MAT is administered in five sections-Language Comprehension, Mathematical Skills, Data Analysis & Sufficiency, Intelligence & Critical Reasoning and Indian & Global Environment-each section testing a different ability relevant for management education.
- 3 All MAT administrations necessarily have different questions. Thus one administration may be slightly more difficult or less difficult than another. Scaling has been used to take care of these differences.
- 4 The scaled scores reported are standardised scores for respective sections. These scores are reported on a scale of 0 to 100. Extreme scores (below 15 or above 85) are rare.
- 5 The percentile below column indicates the percentage of candidates in the test who scored below that of the candidate in the section.
- 6 The Composite score is an overall scaled score based on the first four sections of MAT. This is reported on a scale of 199 to 801.
- 7 The percentile below for the Composite Score represents the percentage of candidates whose composite scores are below the candidate's. The composite score has a validity period of one year.
- 8 All scores and percentile below figures are reported after rounding off to the nearest whole number.
- 9 Personal data is as reported by the candidate.

Dear Ms. Sanskruti Raut:

Congratulations! It is my pleasure to offer you provisional admission to Clemson University's Graduate School for the MS program in Mechanical Engineering (Main Clemson Campus) for Fall 2021.

Our records indicate that we do not have official documentation confirming that you have received your degree(s). You must provide the Graduate School with final official transcripts for your bachelor's and any subsequent degrees. They must state the degree earned and date awarded. Additionally, for students enrolled at institutions outside of the United States, an official copy of a diploma or a degree certificate issued by the institution and showing receipt of all degrees and dates awarded may be needed, if not stated directly on the final official transcript. Please note that this provisional acceptance does not hinder you from registering for classes. However, your official documentation must be provided to the Graduate School before the end of your first semester of graduate study. A registration hold is placed on students who have not submitted all final-official transcripts.

We are very much interested in learning whether you plan to accept our offer of admission, so please indicate your decision to accept or decline our offer as soon as possible. You may do this through the application portal by clicking the "Complete Your Decision Form" button. You can review the projected tuition and fees for your program in the link below. Please note that some graduate programs have academic or professional requirements or prerequisites. It is your responsibility to understand the requirements of the degree program as described in the graduate program handbook and to consult with the department if necessary to verify satisfaction of those requirements. Contact information for representatives of all graduate programs is available at: <http://www.clemson.edu/graduate/academics/program-contacts.html>.

Enrollment at Clemson University is contingent upon verification of your lawful presence in the United States, pursuant to South Carolina Code of Laws, Section 59-101-430. ## FOUNDER & PRESIDENT'S MESSAGE

The human race is witnessing and experiencing scientific and technological developments like Artificial Intelligence, Internet, Instant Communication, Space travel, Medical breakthroughs on one hand and total chaos, confusion, clashes, conflicts, terrorism, bloodshed and massacre in the name of caste, creed, religion, land and resources on the other hand.

There is a degradation and disregard of ethical, social, moral, cultural and ecological values. A culture of revolt and action rather than patience and tolerance seems to be emerging in today's youth. Amidst this challenging environment, I am happy that an island of hope and stability is emerging with a mission to

promote the ethos of value-based education, and at the same time, creating awareness amongst the young students about the importance of establishing a Culture of Peace for a holistic global society.

In an era when we are struggling to keep up with our ancient value education system; character building among the young global citizens of MAEER's MIT, now MIT World Peace University, is encouraged, which nurtures the spirit of mutual co-operation and respect and blends it with professional careers of its learners. Today, it gives me a deep sense of satisfaction and pride to see the glorious achievements of MIT-World Peace University and my dream of VALUE BASED UNIVERSAL EDUCATION SYSTEM coming into reality.

For thousands of students, MIT-World Peace University is a gateway to their professional life. For nearly four decades, we have led the development of education in emerging technologies and modern professional practices to meet the needs of the challenging and volatile job market. In this demanding environment, quality is paramount. MIT-WPU endeavours to provide the finest environment for teaching, learning, research, innovation and character building.

As a reputed academic institution, MIT-WPU especially values its intellectual and academic relationships with industrial communities that provide the foundation from which it will continue to look to the widest horizons, enriching both itself and the society of which it is an inseparable part.

I hope and feel confident that the students of MIT-WPU family with their wide exposure to academic and professional fields will leave a mark nationally or globally wherever they go, by exhibiting their sound professional knowledge, unimpeachable character, sense of discipline and commitment. I wish my MIT-WPU family and all the freshman of the incoming batch grand success and the Best of Luck.

We strongly encourage you to engage with the service as soon as possible so that advice may be given regarding any reasonable adjustment that we can make to adequately support you on your programme. Please note that what we are able to put in place as a "reasonable adjustment" may be impacted by the amount of time we have between being made aware of a need and the start of your studies.

### Visa

We know that there is a lot to do when preparing for university. If you need a Student Visa to study in the UK, one of the most important things is getting your CAS (Confirmation of Acceptance for Studies) from us. You will need your CAS before you can apply for your Student Visa.

We use CAS Shield, an online self-service system, which allows you to upload all the vital information and documents that we will need to issue your CAS. We also have a dedicated Applicant Compliance Team who can support you.

You can find out more about the CAS process and what documents you will need to supply on our starting a new course webpage ([www.brookes.ac.uk/students/isat/visas/student-visa/getting-your-cas/starting-a-new-course](http://www.brookes.ac.uk/students/isat/visas/student-visa/getting-your-cas/starting-a-new-course)).

Please note in particular that issuing a CAS is an additional, and separate process to the conditions of your offer of study. We reserve the right, in certain circumstances, not to issue a CAS or to withdraw a CAS even after you have accepted your offer. If we do not issue a CAS, you will not be able to obtain a visa, and you will not be able to take up your place at Oxford Brookes University at that time.

### How to get in touch

Please don't hesitate to get in touch, either to update us on changes in circumstances or with any questions about your application or studying at Oxford Brookes. Email us at [apply@brookes.ac.uk](mailto:apply@brookes.ac.uk) or call us on +44 (0) 1865 483040.

I look forward to hearing from you.

Yours sincerely

Nazifa Hoque  
Admissions Officer

### INSTRUCTIONS TO STUDENTS

**STUDENT ATTESTATION.** You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**FORM I-20.** The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

**VISA APPLICATION.** You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

**ADMISSION.** When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

**REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA.** Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

**EMPLOYMENT.** Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

**PERIOD OF STAY.** You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

**EXTENSION OF PROGRAM.** If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

**SCHOOL TRANSFER.** To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

**NOTICE OF ADDRESS.** When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

**REENTRY.** F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

**AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL.** DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

**PENALTY.** To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

### INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

**ISSUANCE OF FORM I-20.** DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

**ENDORSEMENT OF PAGE 2 FOR REENTRY.** If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

**RECORDKEEPING.** DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

**AUTHORITY FOR COLLECTING INFORMATION.** Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**REPORTING BURDEN.** U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Please report to the International Programs and Services Office (IPS) immediately upon your arrival to campus. An I-20 or DS-2019, if not enclosed, will be sent to you separately. Notify our office as soon as possible if you have had any changes in your mailing address or proposed term of admission.

### 1. Anmeldung

Hiermit erfolgt die Anmeldung zum Studium an der SRH Hochschule Hamm

Der Vertrag beginnt am **01.10.2020**

- für den Studiengang **Supply Chain Management (engl.)**
- mit dem Abschluss **Master of Science (M.Sc.)**
- in der Studienform **Präsenzstudium (Regelstudienzeit: 4 Semester)**

Die Anmeldung erfolgt auf der Grundlage der nachfolgenden Vertragsbedingungen am Studienort der SRH Hochschule Hamm in 51377 Leverkusen, Marie-Curie Straße 11. Sollte aus organisatorischen Gründen an diesem Studienort keine Möglichkeit zum Studium bestehen, gewährleistet die SRH Hochschule Hamm einen Studienplatz am Standort Hamm. Die Hochschule wird den Studierenden hierzu bis spätestens 3 Monate vor Semesterbeginn informieren.

## 2. Vertragsabschluss

- a) Die Hochschule prüft die Zugangs- sowie Zulassungsvoraussetzung umgehend. Die Hochschule behält sich das Recht vor, bei ungenügender Anzahl an Teilnehmenden den Studiengang spätestens bis zum Vertragsbeginn abzusagen.
- b) Der Studienvertrag ist vertragsrechtlich und hochschulrechtlich mit dem Zugang des von beiden Seiten unterzeichneten Vertragsdokumentes an die Studierende abgeschlossen.

## 3. Verpflichtung der Hochschule

Durch die Vertragsbestätigung verpflichtet sich die Hochschule zur Reservierung eines Studienplatzes und zur ordnungsgemäßen Ausbildung der Studierenden auf der Grundlage des Hochschulgesetzes des Landes Nordrhein-Westfalen in seiner jeweils gültigen Fassung sowie der jeweils gültigen Studien- und Prüfungsordnung, in der die Studienschwerpunkte der Hochschule besonders berücksichtigt sind.

Die Studien- und Prüfungsordnung kann beim Prüfungsamt der Hochschule eingesehen werden.

## 4. Verpflichtung der Studierenden

Die Studierenden haben folgende Zahlungen zu leisten:

Die detaillierten Zahlungsinformationen sind in der Zusatzvereinbarung, die diesem Vertrag als Anlage beigefügt ist, nachzulesen.

Die Gebühren, die sich aus der zum Zeitpunkt des Vertragsabschlusses gültigen Gebührenordnung ergeben und ab Semesterbeginn zur Zahlung fällig sind. Die Gebührenordnung wird den Studierenden mit dem Studienvertrag ausgehändigt.

Die Studierenden verpflichten sich, die gesamten Studiengebühren in Höhe von 16.320,00 € (680,00 €/Monat x 24 Monate Regelstudienzeit) für die Regelstudienzeit sowie die Immatrikulationsgebühr in Höhe von 750,00 € im Voraus als Basis für die endgültige Zulassung zu entrichten.

Sollte das Studium nicht in der Regelstudienzeit beendet werden, verpflichtet sich der Studierende die Studiengebühr für ein weiteres Semester vor Beginn des Semesters im Voraus zu zahlen. Der Zahlungseingang muss rechtzeitig vor Beginn des neuen Semesters vorliegen. Bei Nichteinhaltung dieser Regelung ist die Hochschule berechtigt, den Studienvertrag zu kündigen und den Studierenden zu exmatrikulieren.

Des Weiteren verpflichten sich die Studierenden, Änderungen ihrer persönlichen Daten wie ihrer Wohnort- und Email-Adresse der Hochschule unverzüglich mitzuteilen. Aus Meldeversäumnissen entstehende Zahlungsausfälle verhindern eine außerordentliche Kündigung nach Ziffer 6 b) dieses Vertrages nicht.

Die Studierenden sind zur Einhaltung der Studien- und Prüfungsordnung verpflichtet. Sie haben die Ankündigungen der Hochschule regelmäßig zur Kenntnis zu nehmen.

## 5. Laufzeit des Vertrages

- a) Der Studienvertrag wird für die Dauer der Regelstudienzeit gemäß Studien- und Prüfungsordnung abgeschlossen. Die Verpflichtung der Studierenden während der Vertragszeit wird nicht dadurch berührt, dass diese das Studium nicht antreten oder zu einem späteren Zeitpunkt dem Unterricht fernbleiben, insbesondere ändert dies nichts an ihrer Zahlungsverpflichtung.
- b) Eine Beurlaubung vom Studium kann in Ausnahmefällen auf Antrag gemäß der Beurlaubungsregelungen in der Studien- und Prüfungsordnung erfolgen. Während der Zeit der Beurlaubung entfällt die Pflicht zur Zahlung der monatlichen Studiengebühr.
- c) Abweichend von Ziff. 5 a) gilt der Studienvertrag auch über die Regelstudienzeit hinaus, wenn Studierende zum Nachholen von Veranstaltungen oder Studien- und Prüfungsleistungen nach Ablauf der regulären Studienzeit an der SRH Hochschule Hamm eingeschrieben bleiben.

## 6. Vorzeitige Beendigung des Vertrages

- a) Unbeschadet Ziffer 5 kann in Anlehnung an § 51 HG NRW der Studienvertrag im Rahmen eines Exmatrikulationsverfahrens auf Antrag der Studierenden oder durch die Hochschule gekündigt werden. Die Mindestvertragslaufzeit beträgt 6 Monate. Die Teilnehmerin kann diesen Vertrag erstmalig zum Ablauf des 1. Semesters nach Vertragsabschluss unter Einhaltung einer Frist von 6 Wochen und danach jederzeit mit einer Frist von 3 Monaten zum Semesterende schriftlich kündigen.
- b) Eine außerordentliche Kündigung ist nur dann möglich, wenn ein wichtiger Grund im Sinne von § 626 BGB vorliegt. Die Kündigende muss dem Vertragspartner auf Verlangen den Kündigungsgrund unverzüglich unter Wahrung der in §§ 126-126 b BGB genannten Formerfordernissen mitteilen.

Eine außerordentliche Kündigung durch die Hochschule ist insbesondere dann zulässig, wenn die Studierende, trotz zweimaliger Mahnung, mit mehr als zwei Studiengebühren in Verzug ist. Die zweite Mahnung belastet die Studierende mit einer Mahngebühr in Höhe von 10,00 €.

Die für die Hochschule bestehende Verpflichtung zur ordnungsgemäßen Ausbildung wird hinfällig und rechtfertigt eine Kündigung der Hochschule nach § 626 BGB, wenn eine weitere Teilnahme der Studierenden an der Ausbildung unmöglich ist. Davon ist u.a. auszugehen bei erheblicher Verletzung der Studien- und Prüfungsordnung, der Hausordnung sowie anderer durch Satzung geregelter Ordnungen der Hochschule.

Ein Kündigungsrecht der Hochschule besteht ferner bei einer Überschreitung der Regelstudienzeit um 50% der Regelstudienzeit, wenn keine besonderen, vom Studierenden nicht zu vertretenden Umstände vorliegen, die dieser der Hochschule zum Zeitpunkt ihres Eintritts bekannt gemacht hat. Eine Kündigung wegen der Überschreitung der Regelstudienzeit um den genannten Zeitraum kann insbesondere dann erfolgen, wenn die zuständigen Vertreter der Hochschule die Möglichkeit für das Erreichen des Studienziels als nicht mehr gegeben ansehen.

- c) In allen Fällen der außerordentlichen Kündigung nach § 626 BGB sind die Studiengebühren bis zum Ende des laufenden Fachsemesters zu entrichten, sofern die außerordentliche Kündigung auf Umständen beruht, die von der Hochschule nicht zu vertreten sind.

## 7. Ausgabe von Prüfungszeugnissen, Exmatrikulationsbescheinigungen

Die Ausgabe von Prüfungszeugnissen sowie der Exmatrikulationsbescheinigung setzt voraus, dass die Studierende alle fälligen Studiengebühren bezahlt und die von der Hochschule ggf. entliehenen Gegenstände zurückgegeben hat.

## 8. Sonstiges

- a) Ein Wechsel in eine andere Studienform des gleichen Studienganges, sofern vorhanden und angeboten, ist nach Abstimmung und Zustimmung mit der Hochschule grundsätzlich möglich und setzt eine entsprechende vertragliche Änderung voraus.
- b) Abhängig von der Anzahl der Teilnehmenden sowie von inhaltlichen Aspekten kann die Hochschule die Anordnung der Lehrveranstaltungen im Studienverlauf modifizieren.
- c) Die Hochschule hat das Recht, das Studium temporär auch in Form einer anderen Studienform durchzuführen.
- d) Jede Bestimmung gilt für sich alleine; die Teilunwirksamkeit einzelner Bestimmungen berührt die Wirksamkeit des Vertrages im Übrigen nicht. Unwirksame Bestimmungen sind ergänzend so auszulegen, dass der Vertragszweck weitestgehend erreicht wird.
- e) Mündliche Nebenabreden wurden nicht getroffen. Änderungen und Ergänzungen dieses Vertrages bedürfen zu ihrer Wirksamkeit der Schriftform. Dies gilt auch für die Aufhebung des Schriftformerfordernisses.
- f) Mit der Unterschrift dieses Vertrages bestätige ich gleichzeitig den Erhalt und die Kenntnisnahme der Gebührenordnung.
- g) Wie in der Gebührenordnung geregelt, ist für Präsenz-/ Dual- und berufsbegleitend Studierende (Vollzahler) das Semesterticket der Deutschen Bahn AG kostenfrei. Die Herausgabe des Semestertickets erfolgt im Namen und auf Rechnung des Verkehrsverbundes durch die Hochschule. Dazu ist die Hochschule berechtigt, die für die Erstellung des Semestertickets benötigten Daten des Studierenden an den Verkehrsverbund weiterzugeben.
- h) Ich bin einverstanden, dass meine personenbezogenen Daten bei der Hochschule bis zu 40 Jahre nach meiner Exmatrikulation gespeichert bleiben. Sie werden 2 Jahre nach der Exmatrikulation gesperrt und dürfen nur für wenige Zwecke (wie nochmalige Zeugniserstellung, Nachweise für Versorgungsfälle) genutzt werden. Diese Einwilligung kann jederzeit widerrufen werden; in diesem Fall werden die Daten gelöscht (frühestens 2 Jahre nach der Exmatrikulation).

About Your GRE<sup>®</sup> Score Report

Score Reporting Policies

With the ScoreSelect<sup>®</sup> option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the GRE<sup>®</sup> Information Bulletin for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Note: This report is not valid for transmission of scores to an institution.

### Retaking a GRE Test

You can take the GRE® General Test *once every 21 days, up to five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and GRE® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

### For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at [www.ets.org/gre/understand](http://www.ets.org/gre/understand).

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at [gre-info@ets.org](mailto:gre-info@ets.org) or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

Qualifying in GATE 2020 does not guarantee either an admission to a post-graduate programme or a scholarship/assistantship. Admitting institutes may conduct further tests or interviews for final selection.

In the GATE 2020, the qualifying marks for a general category candidate in each paper is  $\mu + \sigma$  or 25 marks (out of 100), whichever is greater, where  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper. The qualifying marks for OBC(NCL) and SC/ST/PwD candidates are 90% and two-third of a general category candidate in the paper respectively.

The GATE 2020 score was calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where

$M$  is marks (out of 100) obtained by the candidate in the paper

$M_q$  is the qualifying marks for general category candidate in the paper

$\bar{M}_t$  is the mean of marks of top 0.1% or top 10 (whichever is greater) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$ , is the score assigned to  $M_q$

$S_t = 900$ , is the score assigned to  $\bar{M}_t$

In multi-session (Civil Engineering and Mechanical Engineering) papers, the normalized mark of  $j^{th}$  candidate in the  $i^{th}$  session  $\bar{M}_{ij}$  was computed using the formula

$$\bar{M}_{ij} = \frac{M_{it}^p - M_q^p}{\bar{M}_{it}^p - M_{it}^p} (M_{ij} - M_{it}^p) + M_q^p$$

where

$M_{ij}$  is the actual marks obtained by the  $j^{th}$  candidate in  $i^{th}$  session

$\bar{M}_{it}^p$  is the average marks of the top 0.1% of the candidates considering all sessions

$M_q^p$  is the sum of mean and standard deviation marks of the candidates in the paper considering all sessions

$\bar{M}_{it}$  is the average marks of the top 0.1% of the candidates in the  $i^{th}$  session

$M_{it}^p$  is the sum of the mean marks and standard deviation of the  $i^{th}$  session

# Accompanying Information and Conditions of Offer

## University Laws

1. In accepting an offer of a place at Cranfield University you are agreeing to comply with:
  1. the provisions of all the Laws of the University that concern registered students
  2. the documents which are referred to in the Laws and which supplement them, including the General Student Handbook, which is issued annually
  3. the terms and conditions of this document ('these terms')

**You are strongly advised to read these terms and the General Student Handbook before accepting an offer of a place at Cranfield.**

2. In addition to complying with these terms, the University is also required to comply with various legal duties, for example:
  1. under the Equality Act 2010, including the duty to have due regard to the need to advance equality of opportunity and to eliminate discrimination, harassment, victimisation and other conduct prohibited under the Equality Act
  2. in respect of freedom of speech pursuant to the Education (No 2) Act 1986.

These legal duties can change if the law changes.

3. The Laws of the University can be found at:

[www.cranfield.ac.uk/about/governance-and-policies](http://www.cranfield.ac.uk/about/governance-and-policies)

The General Student Handbook along with other Senate Handbooks can be found at:

[www.cranfield.ac.uk/about/governance-and-policies/quality-assurance](http://www.cranfield.ac.uk/about/governance-and-policies/quality-assurance)

Please note that the Laws of the University, the General Student Handbook and the documents which are referred to in the Laws may be updated periodically to reflect best practice or to improve the running of the university and the student experience. You are required to abide by such changes whilst you are a registered student.

## Payment of Tuition Fees

4. Tuition fees are payable annually in advance.<sup>[1]</sup> Where courses extend beyond a 12 month period, tuition fees will usually be due for each year of study. The first year's fees must be paid on or before initial registration, unless satisfactory guarantee of payment has been provided, in the form of a written acceptance of liability to pay from a recognised award making body, an overseas government or a recognised employer. Your sponsor must provide written evidence of accepting such financial liability before you register at the University. An undertaking from a private individual is not sufficient. If your sponsor fails to honour their commitment to pay your tuition fees, you will be personally liable for their payment to ensure your continuing registration.
5. Tuition fees for subsequent years must be paid on an annual basis at the beginning of each year of study unless alternative arrangements are outlined in your course offer letter. For degree programmes lasting more than one year, the tuition fees for subsequent years will be as stated in your offer letter, and will not increase in line with inflation or other measure. Where your offer for a masters course is dependent on successful completion of a pre-masters course at the University, the tuition fee for both the pre-masters course and the masters course onto which you may then progress will be as stated in your offer letter, and will not increase in line with inflation or other measure.

  
HEAD

Dept. of Mechanical Engg.,  
VidyaVardani's College of  
Engineering & Technology  
Vasai Road, 401 202

6. The tuition fee includes all fees for registration, tuition and the initial assessment during the specified registration period. The University reserves the right to charge additional tuition fees for changes or extensions to the registration period, for example for additional or remedial tuition and assessment. Fees for extensions will be calculated on a monthly basis as set out in the fees information, which can be found at [www.cranfield.ac.uk/Study/Taught-degrees/Fees-and-funding](http://www.cranfield.ac.uk/Study/Taught-degrees/Fees-and-funding).
7. The tuition fee also includes membership of the Cranfield Student Association, while you are a registered student of the University, but does not include membership of the Shrivenham Station Officers' Mess for students based at the Shrivenham Campus.
8. The tuition fee does not include accommodation costs, or materials required of you for your private study.
9. Failure to pay your tuition fee may result in the early termination of studies; there is no right of appeal against the decision of the University under these circumstances.
10. If you withdraw from your course of study, or if your registration is terminated early by the University, you are not entitled to a refund of your tuition fee. You may also be liable to repay any form of grant, bursary or other form of financial assistance already paid to you subject to an apportionment for that part of the course that you attended prior to your withdrawal.

## Other Expenses

11. You are responsible for your own living expenses, and must therefore ensure that you have secured the necessary funding before starting your course. Guidance on appropriate levels of living expenses is provided in the University prospectus. No assistance from the University may be assumed, except for bursaries as notified in writing in advance of registration.

## Intellectual Property Rights

12. Intellectual property rights (as used in this paragraph) means all rights to inventions, patents, copyright and related rights, moral rights, trade marks, rights in designs, rights in computer software, database rights, plant breeders rights, know-how, trademarks and all other intellectual property rights, in each case whether registered or unregistered and including all applications, and rights to apply for and be granted, renewals or extensions of, and rights to claim priority from, such rights and all similar or equivalent rights or forms of protection which subsist or will subsist existing now or in the future in any part of the world.
13. Intellectual property may arise or be created by you in the course of work carried out as part of your course of studies, including in any theses or other work or results prepared and/or submitted by you in the course of your studies. All such intellectual property shall, except where specifically agreed otherwise in writing between you and the University, belong to and vest in the University, and all rights in such intellectual property are and shall be assigned to and vested in the University.<sup>[2]</sup> The University will not withhold permission to publish your work unreasonably.

## Duration of Study

14. The dates in your offer letter indicate the 'period of study' associated with the course you have applied for. For full-time students, this represents continuous study throughout this period. For part-time students, this represents the period of time within which the University would normally have expected you to complete all elements of the course.
15. Please note that you will be registered with the University for longer than the defined period of study. Your registration period may also include any approved periods of time relating to the deferment of submission of a thesis, or any re-presentation or correction of a thesis. It will also include the period of time between the submission of the final piece of work for assessment and confirmation of a final result. These terms will continue to apply whilst you remain registered.

## Period of Offer

16. Except where agreed otherwise in writing, an offer of admission will remain open for 28 days only or up to the start date of the course whichever is earlier. Your attention is also drawn to the limited circumstances in which an offer may be withdrawn by the University (see paragraphs 17 and 18).

### Withdrawal of Offer

17. The University reserves the right to withdraw this offer if any of the information provided by you at the point of offer is found to be incorrect or incomplete or if you fail to provide satisfactory information or evidence which confirms that you can meet one or more of the conditions contained in this letter.
18. The University may also withdraw this offer prior to the start of the course if it unexpectedly is unable to provide the advertised course of study. This will only happen in circumstances outside of the control of the University (e.g. unplanned absences of key members of academic staff, changes to external regulatory environments, insufficient demand for a course to the extent where the University believes the student experience would be significantly impacted). In these circumstances, the University will refund any monies already paid to it by you or your sponsor and will endeavour to recommend alternative courses of study which may suit your learning requirements.

### Right to Cancel

19. You have the right to cancel your contract with the University within 14 days of the date on which the contract is concluded.

### Proof of Identity and Qualifications

All requests for support will be considered in line with the criteria for 'reasonable adjustments' as outlined in the Equality Act 2010. The University encourages you to contact it as soon as possible to allow for a full discussion of support arrangements available and to ensure that these can be put in place at the earliest opportunity.

## Proper Law and Jurisdiction

26. In accepting an offer of a place at Cranfield University, you are agreeing that the resulting contract between us shall be governed by and construed in accordance with the law of England and you submit to the exclusive jurisdiction of the courts of England.

## Changes to the Advertised Academic Provision

27. The University undertakes to use all reasonable endeavours to provide the necessary teaching, supervision and academic facilities. The University cannot guarantee that teaching or supervision will be provided by any particular named individuals.
28. Our courses are subject to continuing development and changed circumstances may necessitate alteration to them. Whilst the University makes every effort to keep changes to a minimum, printed literature may become out of date and you should check the website for up to date information. The University will make every effort to provide the course as outlined in the prospectus of the University at the time of offer, subject to paragraph 29 below.
29. The University reserves the right to make variations due to circumstances outside of its control (including but not limited to unplanned absences of key members of academic staff, and changes to external regulatory environments), and will make every effort to minimise any disruption to the student experience. Other circumstances which involve changes to the programme of study (limited to changes to courses deemed by the University to be beneficial to the learning experience) will only be made in consultation with the registered students affected by the proposed change.

31. Subject to paragraph 30 above, the University's liability under or in connection with these terms whether arising in contract, tort, negligence, breach of statutory duty or in any other way, shall not exceed the total of the course fees paid and due to be paid by you under this agreement to the University.
32. For the purposes of paragraphs 30 and 31 'University' also includes the officers, employees and agents of the University, and those paragraphs may be enforced by such officers, employees and agents. ## About Your GRE® Score Report

## Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

## Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

**YASH SANJIV PATANGE****Most Recent Test Date: September 11, 2018**

Date of Birth: November 3, 1997

Registration Number: 3831523

Print Date: October 14, 2018

**Retaking a GRE Test**

You can take the GRE® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and GRE® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

**For More Information**

For information about interpreting your scores, see *Interpreting Your GRE Scores* at [www.ets.org/gre/understand](http://www.ets.org/gre/understand).

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at [gre-info@ets.org](mailto:gre-info@ets.org) or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

The name you used when you registered must exactly match the name and signature on the ID you bring to the test center. If the information does not match, you will not be permitted to take the test and your test fee will not be refunded.

ID requirements vary based on your country of citizenship and where you plan to test. Be sure to visit [www.ets.org/toefl/tbt/register/id](http://www.ets.org/toefl/tbt/register/id) to see the specific ID requirements for your location.

If your ID contains accented or diacritical characters that are not reflected in your test registration, you will still be permitted to take the test. Multiple first/given or last/family names should be entered together in the appropriate box. For example, if your name is "Jean-Louis Smith-Davis," enter "Jean-Louis" in the First/Given Name(s) box, and enter "Smith-Davis" in the Last/Family Name(s) box.

If you do not have a first name, you can leave that field blank as long as you enter a last name.

The Middle Name field is optional - however, if your ID shows a middle name, you should enter it so your registration name exactly matches your ID.

If it is discovered after your test that you did not meet the ID requirements, ETS may cancel your test scores, and your test fee will not be refunded.

• Not Reported - Institution does not accept GRE scores.

About Your GRE® Score Report

Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

AMAN PARASBHAI KHUNT

Most Recent Test Date: February 6, 2019

Date of Birth: September 1, 1996

Registration Number: 4876300

Print Date: February 18, 2019

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

### Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

### Retaking a GRE Test

You can take the GRE® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and GRE® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

### For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at [www.ets.org/gre/understand](http://www.ets.org/gre/understand).

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at [gre-info@ets.org](mailto:gre-info@ets.org) or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

Listening Skills	Level	Your Performance
Listening	High	<p>Test takers who receive a score at the <b>HIGH</b> level, as you did, typically understand conversations and lectures in English that present a wide range of listening demands. These demands can include difficult vocabulary (uncommon terms, or colloquial or figurative language), complex grammatical structures, abstract or complex ideas, and/or making sense of unexpected or seemingly contradictory information.</p> <p>When listening to lectures and conversations like these, test takers at the <b>HIGH</b> level typically can</p> <ul style="list-style-type: none"> <li>• understand main ideas and important details, whether they are stated or implied;</li> <li>• distinguish more important ideas from less important ones;</li> <li>• understand how information is being used (for example, to provide evidence for a claim or describe a step in a complex process);</li> <li>• recognize how pieces of information are connected (for example, in a cause-and-effect relationship);</li> <li>• understand many different ways that speakers use language for purposes other than to give information (for example, to emphasize a point, express agreement or disagreement, or convey intentions indirectly); and</li> <li>• synthesize information, even when it is not presented in sequence, and make correct inferences on the basis of that information.</li> </ul>

Speaking Skills	Level*	Your Performance
Speaking about Familiar Topics	Fair	Your responses indicate you are able to speak in English about your personal experiences and opinions in a mostly clear and coherent manner. Your speech is mostly clear with only occasional errors. Grammar and vocabulary are somewhat limited and include some errors. At times, the limitations prevent you from elaborating fully on your ideas, but they do not seriously interfere with overall communication.
Speaking about Campus Situation	Fair	Your responses demonstrate an ability to speak in English about reading material and experiences typically encountered by university students. You are able to convey relevant information about conversations, newspaper articles, and campus bulletins; however, some details are missing or inaccurate. Limitations of grammar, vocabulary, and pronunciation at times cause difficulty for the listener. However, they do not seriously interfere with overall communication.
Speaking about Academic Course Content	Fair	Your responses demonstrate that you are able to speak in English about academic reading and lecture material, with only minor communication problems. For the most part, your speech is clear and easy to understand. However, some problems with pronunciation and intonation may occasionally cause difficulty for the listener. Your use of grammar and vocabulary is adequate to talk about the topics, but some ideas are not fully developed or are inaccurate.

Writing Skills	Level*	Your Performance
Writing based on Reading and Listening	Good	You responded well to the task, relating the lecture to the reading. Weaknesses, if you have any, might have to do with <ul style="list-style-type: none"> <li>slight imprecision in your summary of some of the main points and/or</li> <li>use of English that is occasionally ungrammatical or unclear.</li> </ul>
Writing based on Knowledge and Experience	Fair	You expressed ideas with reasons, examples, and details, but your response indicated weaknesses such as <ul style="list-style-type: none"> <li>you may not provide enough specific support and development for your main points;</li> <li>your ideas may be difficult to follow because of how you organize your essay or because of the language you use to connect your ideas; and/or</li> <li>grammatical mistakes or vague/incorrect uses of words may make the writing difficult to understand.</li> </ul>

(on behalf of NCB - GATE, for MoE)

The GATE 2021 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

$M$  is the marks obtained by the candidate in the paper, mentioned on this GATE 2021 scorecard

$M_q$  is the qualifying marks for general category candidate in the paper

$\bar{M}_t$  is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$ , is the score assigned to  $M_q$

$S_t = 900$ , is the score assigned to  $\bar{M}_t$

In the GATE 2021 score formula,  $M_q$  is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2021 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.
