## AVAHAN'23 REPORT

Sports are a crucial part of everyone's life for the growth, development of mental health and physical fitness of the body. The annual sports festival AVAHAN, which is an inter-college youth event, is engulfed in sportsmanship, enthusiasm, and determination. AVAHAN is conducted every year, aiming to culminate our sports celebration into the grandeur of enthusiasm and thrill, and participants show their skills by performing various strategies.

This academic year 2022-23, AVAHAN was finalized to be held from 4th January to 15th January 2023 on both **Intra level and inter-level**. AVAHAN is an emotion to every VCETian. A wave of joy and excitement sparked among the students of VCET. Students from various colleges from all over Mumbai came to participate in this event.

Student testimonials of AVAHAN 2023 returning to its main scenario which usually used to happen for 15 days before Covid 19 made the spirits of the VCET Sports Committee work and make the comeback of the main event a grand success. AVAHAN - '*NextGenChamps*' is not just an event but it's beyond that for everyone. AVAHAN aims to inculcate the sense of teamwork, sportsmanship and respect among the students.

On 4th January, the day finally arrived which was there to shower everyone with the spirit of discipline and sportsmanship. AVAHAN'23 was there to be enlightened by the inauguration ceremony at 10:00 AM at the college ground. The whole aura and charisma of the surrounding was uplifted by our beloved chief guest Mr. Aslam Inamdar national athlete and pro-kabaddi player. Also, our guest of honor Senior PI Sampatrao Patil graced us with his presence in the event. The opening was graced by the traditional folk dance group 'Chende Drums'. The honorable chief guest addressed all the visitors with his motivating speech

The Sports Secretary, Mr. Nitheesh Kulal introduced everyone to the challenges and the support for this grand sports event and The Treasurer Mr. Jay Wanjari gave a vote of thanks to all the dignities, the committee members, and our sponsors with whose support the event was a great success. Since an event is a perception of a new beginning every year, this year too AVAHAN 23 was unveiled with a different theme. The mighty letters of AVAHAN were holding the energy of this year's participants and the team of supporters all tied with the foil balloons carrying the logo of it. On the count, these boxes were opened and everyone was able to see the new reflections, fresh start as soon as the logo started flying high in the sky with the glittering essence of those balloons.

All the participants who had registered were contacted by the event coordinators a day prior to the event for updates and reporting time on the basis of their category to the respective sport. A **leaderboard** was generated of the leading teams for the participants to keep track of their competitors. The events were well coordinated due to remarkable coordination by the committee members. All the events were conducted on the basis of the decided schedule.

Indoor events along with outdoor events were conducted throughout the span of 15 days. This year arm wrestling and foot volley events were introduced after two years and in these events, many students showcased their talents. The AVAHAN 2023 was concluded on a very different note with a farrago of emotions amongst the students.

Sport is not always about winning. It is about fair play and believing in equality and justice. Through participation in sports we gain various skills, experience and confidence which is helpful in developing our personality. Constructive use of time and discipline is a characteristic gained by participation in such events.

To encapsulate it all, AVAHAN 2023, was a great success. As we continue to rebuild the legacy of this amazing event and take it a step further in the following years.

## Literati - The Literary Club

Vidyavardhini's College of Engineering and Technology, K.T. Marg,

Vasai(W) - 401202

**Name of the Event: Unscripted – The Extempore Competition**

**Date of the Event: 06/03/2023**

### REPORT

**Literati - The Literary Club** of Vidyavardhini's College of Engineering and Technology, Vasai organised "Unscripted" an **English Extempore Speech Competition** on 6th of March, 2023. The event was sponsored by Team VCET Solection and AICTE SPICES. The aim of the contest was to promote language fluency and communication skills. The event caught the attention of many literature enthusiasts throughout VCET and had an all time great **23 participants** competing against each other. The judge invited for the occasion was **Ms. Diana Shukla** (English teacher at Holy Family High School and Jr. College) enlightening students for many years. The explanation of rules and the flow of the event was done by the two hosts Chintan Patel and Rutuja Pednekar from first year. Each participant was given a topic 10 minutes prior to their actual speech and the delivery time was 2 minutes. The event heads Reena Vaidya, Vedantika Ghorpade and Omkar Jadhav were responsible for the entire planning, organisation and the smooth flow of the very flagship event. The competition was fierce among participants and we had two winners this year in **Aditya Joshi (TE-CSE)** and **Pritish Mair (BE-COMPS)**, followed by runner-up **Insha Mulla (BE-IT)**. The position holders were furnished with certificates and cash prizes, manifesting their triumph. ## SPORTS COMMITTEE 2021-2022

VCET Sports Committee is a student community consisting of more than 90 members dedicated to the development of sports. Our main aim is to provide the students with the means and environment to pursue their sporting passions. Throughout the year we organize various events such as FE Orientation, and the AVAHAN-annual sports festival and also control the functioning of college sports teams. We believe the journey is more beautiful than the destination.

### **AVAHAN:**

It gives me great honour and pride to share my journey as the In-charge of the Sports Committee. Sports are a crucial part of everyone's life for the growth, development of mental health, and physical fitness of the body. So, coming to the annual sports festival AVAHAN, which is an inter-college youth event, engulfed in sportsmanship, enthusiasm, and determination. AVAHAN is conducted every year, where we aim at culminating our sports celebration, with a grandeur of enthusiasm and thrill, and participants show their skills by performing various strategies.

In the odd semester, FE Orientation program is organized where a brief idea is given to them regarding the sports committee and their work along with an informal conversation to make students get familiar with their seniors and to get a proper idea about the college events and the working of the college. The grand annual sports festival AVAHAN is organized by VCET Sports Committee on intra as well as inter-college levels where many students participate with great enthusiasm.

The Sports Committee organized the team selection for various sports such as Overarm Cricket,

Football, Basketball, Volleyball, and Badminton. The selected students trained hard in their respective schedules allotted by the committee to participate in various inter-college sports festivals representing our college.

AVAHAN'22 commenced with the grand inauguration ceremony which was held on the ground of VCET. The inauguration ceremony was enlightened by the presence of chief guests Mr. Rakesh D. Save (Executive committee member - Maharashtra Athletics Association) and Mr. Akshay Vernekar. The honorable chief guest, Mr. Akshay Vernekar encouraged everybody to stay fit and embarked on his wisdom to help students understand the role of sports in the life of a student.

Due to the prolonging restrictions of Covid 19, the event was held on an **Intra level** for three days. A wave of joy and excitement sparked among the students of VCET. The event being held intra-level also sparked a sense of competitiveness amongst the students for departmental competitions. Student testimonials of AVAHAN 2022 returning to them in the offline mode were overwhelming which drove the VCET Sports committee to work and

it's beyond that for everyone. The whole aim of AVAHAN is to inculcate a sense of teamwork, sportsmanship, and respect among the students.

The AVAHAN 2022 was concluded on a very different note with a farrago of emotions amongst the students as AVAHAN 2022 being the key binding the students after two years of social distancing. The committee has always worked with their hearts and soul and shall continue to do so in the coming years.

The event wouldn't have been seized without the support of our respectful management and honorable principal, Dr. Harish Vankudre. I also extend my heartfelt gratitude to all teaching and non-teaching staff and admin staff for their support throughout the year. The committee has always worked with their hearts and soul and shall continue to do so in the coming years. I congratulate Ms. Parinishtha Sharma, the Sports Secretary for leading the entire team exceedingly well and wish the Sports committee for a more successful event next year.

**To encapsulate it all, AVAHAN 2022, was a grand success. As we rebuild the legacy of this sacred event in this new normal. Student testimonials described this one to be the key to sparking the thrill back again in the college atmosphere.**

**FE Induction** started on 31st May 2022. All the students from various branches were delighted to attend this event. This event was held offline in the college Gymkhana. The committee member's main focus was to make the students aware of the working of the Sports Committee.

The event started with an introduction session. The main motive behind this was to build an informal communication bridge between the FE students and the seniors. All the freshers were given a glimpse of the previously held event - AVAHAN by the committee members. It included the grand inauguration ceremony followed by all the sports played during the entire event. Then the students were introduced to the VCET gymkhana. And also informed about the rules and regulations of the gymkhana.

Lastly, the students were given time to play a variety of sports with their classmates in the gymkhana. The Orientation was then moved to a Qn. A session where all the FEs asked questions related the sports.

## ZEAL 2022

**Date: 25/03/2022 – 27/03/2022**

### **Description of Event:**

The annual cultural festival ZEAL is a fiesta that celebrates all forms of art, including dance, drama, music, literature, and fine arts. We celebrated the Art of Imperfections this year with Zeal 2022. It taught the students to live in the moment and to appreciate everything that life has to offer. With the theme Zeal 2022: MERAKI- THE ART OF IMPERFECTIONS. Zeal was conducted on March 25th, 26th, and 27th, 2022.

A Grand Inauguration Ceremony was conducted on the first day of ZEAL, which included a fantastic lezim performance accompanied by Dhol tasha pathak. To grace this joyous occasion, we were honored by the presence of Dr. Pallavi Parulekar Bansode, the Founding President of Shabdavel Sahitya Pratisthan, who was the chief guest at the inauguration ceremony. She further shared her thoughts and appreciation towards the efforts of the Students and the Teachers. The Students' Council also conducted events such as rangoli, Facts & Furious, Ad-Mad show, among others.

### Inaugural Ceremony of ZEAL 2022

In the evening, events like Solo, Duet, and Group Dance events gave us some highly energetic performances and had the audience at the edge of their seats. The night was packed with high-octane entertainment and excitement.

Various events were held throughout the day on the second day of ZEAL, including a Treasure hunt, the Master Chef competition, among many others. Staff events were also held along with it. "GARBA NIGHT" was the best way to close the day. Everyone was dressed up in traditional Garba outfits and danced to the nagada beats. This evening was graced by the presence of

AND TECHNOLOGY

# STUDENTS' COUNCIL

Mr.Suhrad Soni, alumni of VCET. He is the Co- Founder and Co-Owner of the world's biggest authentic Garba School SSGD having presence in 28 cities and 9 countries worldwide. He was the chief guest and the judge for the evening. He even let out his dance moves on the dance floor and danced with the students to uplift and motivate them for the night. There were prizes for best dressed and best male/female dancers. The finals for most events were held on the third day of Zeal. True Pals, Instrumentals, Antakshari, Solo and Duet Singing, Lan Gaming, and the outstanding ground event- The DJ Night, were among the events. DJ NAC captivated the senses of the large VCET audience by playing the most popular DJ songs and getting everyone's feet grooving and jumping on the dance floor. It was the ideal way to end the festival. ZEAL 2022 was a big success and provided everyone with a fun and exciting experience and left them wanting more.

### **Description of Event:**

The annual cultural fest ZEAL is a fiesta encompassing every form of art be it dance, dramatics, music, literary or fine arts. Zeal 2021 was different from any other. Hosted purely online, we made sure the electric atmosphere was well maintained.

This year's theme was Mumbai Lok-al. Zeal was held on 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> of May 2021. On 6<sup>th</sup> May a virtual inauguration was held, wherein the Chief Guest Dr. Ashwini Kodial.

With all of the events shifting to a online platform, they were live streamed to youtube, where the audience thoroughly enjoyed every bit of it. This was indeed a new and exhilarating experience for everyone, yet was a grand success.

Chief Guest: Dr. Ashwini Kodial.

## AVAHAN 2020

It gives me great honor and pride to pen down my first journey as the In charge of the Sports Committee. its prime objective is to accentuate integrated approach of overall development of students. The committee manages and looks after the required sports equipment and upgrades the facility with new equipment annually.

In the odd semester, FE Induction was held, in which the sports training program was organized by the Sports Committee under the name of Induction program to train them for the all-round growth development. The motive of this program was to make first year students realize the importance of participation in sports activities to learn special qualities such as communication skills, leadership skills, team building, etc. They are encouraged to play various games and activities that help them know their peers better. We also celebrated National Sports Day during the same period.

The Sports Committee organized the team selection for various sports such as Overarm Cricket, Football, Kabaddi, Basketball, Volleyball, Badminton and other Indoor sports in the first two months of the academic year. The selected students trained hard in their respective schedule allotted by the committee to participate in various inter college sports festival representing our college. The VCET teams hold a great history of glory by winning numerous trophies and making our college proud. The college cricket, football and kabaddi team participated for the 12th time in MIT-WPU, Pune and have done exceptionally well. The committee encourages all the teams to participate in the tournaments so that they can get a good exposure for their overall development.

The even semester was welcomed with the remarkable success of "AVAHAN", a 11 day inter and intra college sports saga. The grand inauguration was enthralled by the presence of the Chief guest of honors which were Mr. Vikrant Keni (captain of Indian team for T20 Physical Disability Cricket World Series) and Mr. Archis Patil. Also we had organized a special inaugural match between the visually impaired children. Sports committee introduced new events for the students as well as for the staffs along with the conventional sports in Avahan 2020. Huge affluence of participants from all over Mumbai, their sportsmanship, enthusiasm and team spirit packed into one grand sports event, "Avahan- A call to the champions".

The event wouldn't have seized without the support of our respectful management and honourable principal, Dr. Harish Vankudre sir. I also extend my heartfelt gratitude to all Teaching and non-teaching staff and admin staff for their support throughout the year.

The committee has always worked with their hearts and soul and shall continue to do so for the coming years. I congratulate Yash Meghani, the Sports Secretary for leading the entire team exceedingly well and wish the Sports committee for a more successful event next year.

## Lit Fest'2019-20

With the pandemic and lockdown worldwide, people were under stress and had gloomy days on a stretch. With the plan of initially being held offline, Literati decided to conduct its 'LIT Fest' online.

The fest was conducted from 15<sup>th</sup> March to 23<sup>rd</sup> March 2020. The fest as the name suggests had literary events like; Story completion, look into a book and fan fiction writing. The event was judged by Mrs. Jayshree Suresh.

Story completion gave the participants a chance to bring out the creative writer in them as they solely decided how they wanted their story to end and add all the twists and turns possible. Participants were free to choose any genre and some worth publishing stories were written.

Look into the book is basically a book review but not with the set format. Here the participant had to describe or write a few words on their favourite character in the book and elaborate for the same. Wide variety of books were chosen from motivational to thriller.

The last event, fan fiction writing was most loved amongst all as it comprised of participants writing an alternative to their favourite fictional show and brought the inner wishes of many students and gave insights to how they wanted their show to end.

The LIT Fest had a total of 16 participants and total 6 winners in total. A winner and a runner-up in each event. The winner for story completion was Mansi Malap from SE IT and the runner-up was Nihal Kumar from TE EXTC. Look into the book had Maria Mathew in the first place followed by Zahabiya Dalal. Lastly, Fan fiction writing had Tanyal Dalvi from TE INSTRU as a winner and Rohit Sawant as the runner-up.

## Faceoff 8.0

After smashing a triumph of FACEOFF 7.0, it was only logical to grace the new year by another addition to our FACEOFF series, the FACEOFF 8.0. Held in the honour of beloved founder, the concept of FACEOFF arose out of a genuine effort to concentrate and focus the inter-departmental rivalry into a productive form. The teams argue and debate all the way for the sought after "Padmashri Bhausaheb Vartak Memorial Trophy".

On 12<sup>th</sup> and 13<sup>th</sup> March 2020, the Literati Committee's working force began with the FACEOFF 8.0. This year saw a clash between 27 participants of nine teams namely the Mechanical Renegades, the Mechanical Rangers, the Comps Gladiators, the Instrumentation warriors, the Telecom Terminators, the IT tornadoes, the Ash Avengers, the Civil Knights, and the ASH Rockers.

Calling it a big hit would be an understatement. The inter-departmental debate championship turned out to be a big blockbuster. Topics ranging from political to social issues were tackled and hurled at each other by the team's witty remarks and dry humour.

The judges for the event were Mrs. Jayshree Senesh & Mili Panikar. Our judges equally enjoyed the debate as the crowd. The finale had everyone holding on to their seats. A more intense argument and more enraptured audience were never to be seen. The overwhelming response to the event was evident by the jam-packed seminar hall.

The two days of fierce debating concluded in Instrumentation being crowned the debating champions and IT tornadoes being the runner ups. The event was conducted with a splendour as marked by the thunderous applause and the gusto of the loyal spectators. The profound efforts of the Literati committee finally bore fruits of success and set another benchmark to work towards.

## EXTEMPORE

With the successful commencement of all the previous year's events, the magazine committee retitled as 'Literati - The Literary Club' reinforced the vision and mission of the committee along with the very many activities they hold. For the very first time, Literati organized 'Unscripted - The Extempore Competition'. It proved to be an amazing platform for students to showcase their skills and creativity.

Extempore is an event where the participants are given a topic on the spot and they are expected to deliver a speech on the same. Participants are judged on their oratory and knowledge of the topic. Apart from this, participants were also judged on their preparedness for a topic they heard only a few seconds before. All participants displayed excellent oratory skills. The excitement about the event was evident from the jam packed seminar hall and timely applauses.

The event was enlightened by the presence of an experienced personality who is skilled and enthusiastic to listen to the students' views. Our judge, Mr Kenny Rodrigues has had a staggering 22 years of teaching experience and is currently associated with Swami Vivekanand International School, Kandivall West, as an English teacher. He has also worked as an assistant director with many reputed TV serials. He enjoyed all the participants coming forward to express their views on the topics based on real time needs and events which were wisely selected by Literati.

The event was held on 9<sup>th</sup> march 2020 and was the first event of our Lit Fest 2020. There were a total of 8 participants, one from each department and a winner and runner-up. The event concluded with a huge round of applause to appreciate the efforts put in by the committee members. This marked the end of yet another successful event.

### SPORTS REPORT 2018-19

Sports play an important aspect in every student's life and this year was no different. A plethora of exciting talents participated in various sports and turned out to be very successful in their fields. Presenting you is the annual sports report for 2018-19.

The Sports Committee of VCET organized its annual Sports Fest AVAHAN, a 16 day long Inter and Intra college event. The event witnessed high participation from various colleges all over Mumbai, Thane and Palghar. Kabaddi was organized on mat second times and the response was charming. Boys and Girls both participated in the event with complete enthusiasm and played within the spirit of the game. Providing opportunities to women as our main motto. Kho-kho is also one of the highlighting events since it involved participation from all the colleges.

Events such as Volleyball, Football, Box Cricket, Badminton, Chess, Carrom and Table tennis also had great impact in success of AVAHAN 2019. The highlighting event of this year's sports fest was the introduction of three new events; Basketball, Tug of War and Dead lift. These events attracted participants in large numbers and one of the most successful event of AVAHAN 2019. The chief guest for the event of Dead lift was former Mr. World Nizar Dawoodani, Yunus I Shaikh and Rutuja Hegshetye. The participation and involvement along with hard work put in by the Sports Committee is highly appreciable.

I would like to deeply thank our Management, Principal Dr. Harish Vankudre and all other staff members for their sincere efforts & support in all sports activities throughout the year.

## ZEAL 2019-A COMIC FIESTA

A great honour is bestowed upon me while penning down the efficacious journey of the Student's Council for year 2018-19. The Student's Council has clung to its primal aim of bringing out the competencies of students and nurturing them towards full development by exploring the creative and management sides where they garner extra curricular knowledge. Like every year Student's Council welcome FE with Orientation programme and Fresher's Party. In the Even semester the everlasting the gran of Zeal was persistently celebrated.

Like every year we moving one step ahead. So for the first time we conducted an open inauguration for Zeal 2019 which was graced by the presence of multi industry actor Mr. Sayaji shinde. The comic world has lost a hero Stan Lee but he has given this world many heroes who have taught us heroism, equality and strength. Thus to celebrate heroism Zeal 2019 was decorated by the theme Zeal 2019-A Comic Fiesta. Along with several events hosted every year, this year we cam up with Natyamay which was graced by the Mr. Sunil Tawde as a judge. We also had comic strip and the ever grand BeatBoxing continuing last year's legacy We invited world rank 45 female South African DJ Candice Redding as headliner of the event along with co-headliner Mohit Bhatia.

Lastly I would congratulate our General Secretaries Ashutosh Lopes and Vrishali Patil ,the entire Student's Council and Zeal working committee and hope for a marvellous Zeal new year

Prof. Sunil Katkar
