Annual e-Governance Report

e-Governance in the field of the educational sector has changed the way of administration. It helps in improving transparency, providing speedy information dissemination, improving administrative efficiency, and improving public service in all aspects of education. It leads to digitization and a paperless office. VCET has implemented e-Governance in the areas of examination, communication, finance, and accounting. VCET has procured the following services:

1. ERP: VCET uses the ERP software from Juno Systems Pvt. Ltd. for the transparent functioning of the Admission, Examination, Finance, and Account department. Some of the functions include the collection of fees, the generation of receipts, and the generation of financial reports.

The various modules available in ERP are listed below:

- **Admissions:** The centralized admission process is carried out by the Competent Authority of the State Government. of Maharashtra. ERP is accessible to the students via their official email ID. The students can access the admission process, fee payment, fee receipts, seat category, admission cancellation, course configuration, examination results, entrance test, online forms, ID cards, etc.
- **Academics:** This module contains course selection, syllabus, subject allocation, timetable, attendance, evaluation, feedback, class register, daily monitoring, and an online test.

- **Examination:** The examination module in the ERP is accessible for faculty. The provision for mark entry is present for all offline examinations conducted by the institution.
- The various outcomes, like result compilation, mark sheet generation, mark sheet analysis, and revaluation, are achieved with the ERP module.
- **Attendance:** The Attendance module contains attendance entries.
- **Feedback:** The Feedback module contains academic-specific feedback, customizable evaluation parameters, grading, and analytics.
- **Profile:** Profiles of employees and students include personal, educational, work experience, contributions and achievements, research, patents, conferences, and related reports.
- **Test:** This module facilitates objective tests, subjective tests, question banks, question paper generation, an evaluation scheme, time-bound answering, negative marking, and reports.
- **Communication:** Communication through emailing, attachments, blogs, polls, and maintaining history.
- **Worksheet:** Includes daily worksheets, on-duty reporting, goal-mapping, monitoring and control, effort calculation, reporting, and analytics.
- **Scheduler:** Personal planner, academic planner, financial planner, placement planner, event planner, reminders, emailing, scheduling, to-do lists, reporting.
- **Office:** Muster, roaster, service book, leave accounting, salaries, fees, inward/outward, documentation, and related reports.

- **Salary**: Grade pay, basic, HRA, gross pay, arrears, deductions, tax savings, salary slips, and payroll.
- **Library**: Stocking of books, journals, CDs, DVDs, and magazines; membership management; catalog management; Online Public Access Control (OPAC); transactions; and reporting.

The following modules are available in ERP and are to be implemented:

- **Communication**: blog, polls
- **Worksheet**: goal-mapping
- **Research**: The research module contains research projects, publications, conferences, journals, patents, copyrights, and reports.
- **Scheduler**: personal planner, academic planner, financial planner, placement planner, event planner, reminders, emailing, scheduling, to-do lists, reporting.

2. Khushi (Exam Software for Grading-Based Exam Processing System): VCET uses Khushi software for examination purposes. Additional modules for various outcomes, like result compilation, mark sheet generation, mark sheet, result analysis, and revaluation, are available.
3. Tally Software: Tally software is used for accounts to maintain records of financial activities. It is multipurpose software, including inventory management and accounting.
4. Website: Information related to academics, placement, curriculum, co-curricular, mandatory disclosure, research, entrepreneurship, admission information, curriculum, and accreditation-related documents is displayed on the institute's website.
