Founder President Late Padmashri H. G. Vartak

Approved by AICTE, DTE Maharashtra and Affiliated to University of Mumbai
NAAC accredited, 4 Programmes Accredited by NBA

Criteria Number: 6

Criteria Name: Governance, Leadership and Management

Sub criteria Number: 6.5

Sub-criteria Name: Internal Quality Assurance System

6.5.2 Quality assurance initiatives of the institution include:

1. Regular meeting of Internal Quality Assurance Cell (IQAC); quality improvement initiatives identified and implemented
2. Academic and Administrative Audit (AAA) and follow-up action taken
3. Collaborative quality initiatives with other institution(s)
4. Participation in NIRF and other recognized rankings
5. Any other quality audit/accreditation recognized by state, national or international agencies such as NAAC, NBA etc.

This document contains information about the Collaborative quality initiatives with other institution(s). The documentary evidence can be accessed by clicking on the link given.

ABOUT VCET

Vidyavardhini means a body which is committed to enhancement of knowledge. Vidyavardhini was established as a registered society in the year 1970 by late Padmashri H. G. alias Bhausahab Vartak for the noble cause of education in rural areas.

Vidyavardhini's College of Engineering and Technology, Vasai is located on the sprawling campus of Vidyavardhini, spread over an area of 12.27 acres. It is a short, two minutes walk from Vasai Road (W) Railway Station. The college is also accessible by road from Mumbai.

VCET is approved by AICTE and affiliated to the University of Mumbai for the Bachelor's Degree in Eight Programs, Mechanical, Electronics and Telecommunication, Instrumentation, Computer Engineering, Information Technology, Civil Engineering, Computer Science & Engineering (Data Science) and Artificial Intelligence & Data Science Engineering.

DEPARTMENT OF COMPUTER ENGINEERING

Department of Computer Engineering was established in the year 1999 with the objective of imparting the knowledge and developing practical skills in various areas of computer engineering. The Department has been Re-accredited by NBA (AY: 2022 to 2025) and has an intake of 60 students.

DEPARTMENT OF MECHANICAL ENGINEERING

Department of Mechanical Engineering was established in the year 1994 with the objective of imparting the knowledge and developing practical skills in various areas of mechanical engineering. The Department has been Re-accredited by NBA (AY: 2022 to 2025) and has an intake of 90 students.

ABOUT THE COURSE

Globalization of the world economy and higher education are driving profound changes in the Engineering education system. Worldwide adaptation of Outcome-Based Education framework and enhanced focus on higher-order learning and professional skills necessitates paradigm shift in traditional practices of curriculum design, education delivery and assessment. In recent years, worldwide sweeping reforms are being undertaken to bring about essential changes in engineering education in terms of what to teach and how to teach and how to assess. Examinations/student assessments play a very important role in deciding the quality of education.

The contents of this STTP are completely derived from the recommendations made in the AICTE Exam Reforms November 2018. This STTP attempts to bring out recommendations for reforms in the examination system to meet challenges of the emerging engineering education landscape. The STTP will also shed light on the implementation of National Education Policy 2020 in the Higher Education (Engineering) sphere.

COURSE OBJECTIVES

- ◆ To prepare faculty for paradigm shift in traditional practices of curriculum design, education delivery and assessment to adapt outcome-based education.
- ◆ To get acclimatized with the examination reforms and prepare faculty designing question papers to test higher order, abilities and skills of the engineering students.

TOPICS TO BE COVERED

- ◆ Importance of Examination Reforms
- ◆ Need for outcome based education (OBE)
- ◆ Elements of outcome based education (OBE)
- ◆ Understanding Graduate Attributes, Competencies and Performance Indicators
- ◆ Writing course outcomes (CO) using Bloom's Taxonomy, preparation of course articulation matrix
- ◆ Use of Bloom's Taxonomy for design of question papers
- ◆ Use of Rubrics
- ◆ Case studies: Course project and laboratory experience
- ◆ Understanding SEE model question paper with CO, BL and PI
- ◆ Rubrics and Assessment
- ◆ The National Education Policy

Dear Sir/Madam,

Greetings from Vidyavardhini's College of Engineering & Technology, Vasai!

Department of Computer Engineering, Department of Mechanical Engineering and Internal Quality Assurance Committee are organizing ISTE approved One week Short Term Training Programme on Reforms and Innovations in Examination Systems from 08th - 13th July 2022 in the online mode. This program is being organized in association with KLE Technological University, Hubballi, Karnataka.

This STTP is planned with an objective of acclimatizing with the examination reforms and preparing faculty designing question papers to test higher order, abilities and skills of the engineering students.

The poster for the same is appended with this mail.
