1 your institution.

- Focus on how practical will perform online.
- Promote more and more internships
- Use better graphics and visual media to engage students well
- Try to conduct the course or internship program on the basis of latest technologies evolution.
- Do teach practical aspect about technology
- Do arrange project showcase event where students can show their skills
- Improvement in E-learning
- Encourage active and practical learning
- Can arrange competitive programming workshops
- Assigning assignments in terms of some practical task instead of write-ups.
- Explaining concepts with the help of animated videos, for better understanding
- Assigning mini-projects at the time of teaching the same module, for actually understanding the process
- Motivate for the research-based projects, to study a particular topic in depth and having discussions rather than question/answer session.
- Educate students so that they are employable or ready to do a small startup
- Design syllabus according to markets need i.e. more practical basis
- Take students to industrial visits on a regular basis and try to provide students with internship opportunities on campus.
- ERP system can be improved
- Help students create clear educational and career plans
- Increase Internships & Placements in core companies
- More skill-based learning
- More approach practical and industry related studies
- Well scheduled assignment timings
- Video quality and sound quality should b improve using better mic and web cam
- ERP system should be made more convenient and till then we cannot use erp for joining every lecture and practical should often be conducted were teacher shows first the presentation on how to do it.

Student Satisfaction Survey Report 2020-21

Objective:

The Students Satisfaction Survey (SSS) regarding the teaching, learning, and evaluation system that prevails in the Institute is conducted among the students at Vidyavardhini's College of Engineering & Technology (VCET) through the website. The feedback received helps to upgrade the quality of education.

Performance indicators:

The questionnaire has been framed based on NAAC guidelines. It included the following performance indicators:

- Syllabus coverage
- Teachers preparation for class
- Communication ability of teachers
- Teachers approach towards students
- Fairness of the internal evaluation process by the teachers.
- Quality of evaluation for assignments, practical, etc.
- Internship, student exchange, field visit opportunities
- Facilitation for cognitive, social and emotional growth.
- opportunities to learn and grow.
- Informed about expected competencies, course outcomes and programme outcomes.
- Mentoring
- Illustration of concepts through examples and applications by teacher
- Identification strengths and encouragement provided to the students with providing right level of challenges.
- Identification of your weaknesses and help extended to overcome them.
- Effort made by Institute to engage students in the monitoring, review and continuous quality improvement of the teaching learning process.
- Use student centric methods, such as experiential learning, participative learning and problem-solving methodologies for enhancing learning experiences.
- Encourage for participation in extracurricular activities.
- Efforts are made by the institute/ teachers to inculcate soft skills, life skills and employability skills

Vidyavardhini's College of Engineering & Technology

K. T. Marg, Near Railway Station, Vasai Road(W), Dist. Palghar, Pin. 401202

Internal Quality Assurance Cell

- Use ICT tools such as LCD projector, Multimedia, etc. by teachers
- The overall quality of teaching-learning process

Students are also asked to give three observation / suggestions to improve the overall teaching – learning experience in the Institute.

Grading System:

Students have rated the question on a scale of 0 to 4. Highest positive response is rated as 4 and the lowest negative response is rated as 0. This removes the binary forced approach and provides a more comfortable wider range for students to register their opinion.

A student has to respond to all the questions given in the following format with her/his sincere effort and thought. Her/his identity is not revealed.

Criteria for feedback analysis:

- For the quantitative analysis of feedback, a threshold of 65% is set.
- For qualitative analysis, the comments received from the students are reviewed by the academic committee, and corrective measures are suggested to the higher authorities.

Feedback Analysis:

Total No of Responses: 1044

| Sr. No. | Parameters | Average Score | Percentage |
|---------|--|---------------|------------|
| 1 | How much of the syllabus was covered in the class? | 3.41 | 85.15 |
| 2 | How well did the teachers prepare for the classes? | 3.35 | 83.76 |
| 3 | How well were the teachers able to communicate? | 3.37 | 84.17 |
| 4 | The teacher's approach to teaching can best be described as | 3.07 | 76.68 |
| 5 | Fairness of the internal evaluation process by the teachers. | 3.42 | 85.49 |
| 6 | Was your performance in assignments discussed with you? | 2.89 | 72.34 |
| 7 | The institute takes active interest in promoting internship, student exchange, field visit opportunities for students. | 3.12 | 77.92 |
| 8 | The teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth. | 3.05 | 76.15 |
| 9 | The institution provides multiple opportunities to learn and grow. | 3.15 | 78.69 |
| 10 | Teachers inform you about your expected competencies, course outcomes and programme outcomes. | 3.39 | 84.72 |
